

2016-2017 Anacortes Municipal Code Updates

Information Sheet – Updated December 15, 2016

Code Enforcement & Penalties

DESCRIPTION

The proposed amendments address a number of code enforcement chapters which closely relate to future development code updates. The aim is to put in place a structure to improve compliance with and allow enforcement of those updated substantive provisions. The proposed update creates a new Title 20, dealing exclusively with code enforcement, and updates Title 2 to add a hearing examiner to hear code enforcement issues.
