Proposal Description

The City of Anacortes is inviting public comments on a proposed non-project legislative action to amend the Anacortes Municipal Code (AMC) Table 19.41.040 *Principal Uses Permitted in Residential Zones* to outright permit Day Care II facilities in the Residential High Density 4 (R4) Zone. This Ordinance would make permanent an interim regulation of the same proposal, which was first passed and approved on July 12, 2021, to address a critical and urgent need for childcare within Anacortes. The interim ordinance changed "day care II facilities" (defined in [AMC 19.44.010](#)) from a Type 4 conditional use permit to an outright permitted use, which requires no discretionary land use review.

The draft ordinance is available for review at: anacorteswa.gov/1352/Day-Cares
